

WOLVERINE EXECUTION SERVICES EXPANDS **WEX CONNECT** OFFERING

CHICAGO & NEW YORK, April 8th, 2019 - Wolverine Execution Services (WEX), a leading provider of premier technology and execution services expands WEX Connect, a sophisticated technology hub that fulfills trading and regulatory requirements. By offering a streamlined work flow to all Brokers and a detailed audit trail of each event, WEX Connect couples an efficient trading process along with compliance demands.

WEX Connect Benefits:

- Includes Detailed Time Stamp Events such as, Represent Time, Customer and Broker Receive and Route out Time.
- Provides Electronic Notifications on events that include, Announced Trades, Accepted Orders and Executed Trades.
- Supports Electronic and Floor Trading Work Flows.
- Prevents erroneous executions from flowing into system.

By maintaining a complete and easily accessible audit trail of all events and permitting users to access all Brokers in one system, WEX Connect is able to satisfy both Compliance and Trade Desk requirements.

WEX Connect is available via the WEX Trading Platform, the WEX API or FIX. For more information on WEX Connect please contact at sales@tradewex.com or 312-884-3076.

About WEX

Wolverine Execution Services, LLC (WEX) is an independent broker-dealer specializing in the execution of equities, options and futures for institutional investors. WEX offers clients multiple venues for execution including a proprietary electronic trading platform, algorithms, direct floor access, and an agency brokerage desk. Leveraging expertise in trading technology, and risk management, WEX provides clients with anonymity, superior execution and order management in all asset classes, delivering exceptional solutions for both technical and institutional trading styles.

For more information visit www.tradewex.com.

Options involve risk and are not suitable for all investors. Prior to buying or selling an option, each customer must review a copy of the Characteristics and Risks of Standardized Options (ODD). This document is available on the OCC's (theocc.com) website. This communication is intended for institutional investor use only.
